

'If you turn down DAZL, you would turn down a million pounds'

Ryan, age 10, values DAZL

Don't worry, we're not trying to sting you for that much. But your involvement would be priceless.

Who are we?

Every year, Delaware Adventure Zone for Learning (DAZL) educates & inspires 100s of local children to believe in themselves and make the most of the world around them. We have a phenomenal success rate, increasing academic achievement in 90% of children.

DAZL creates a buzz. Children tell their parents, parents tell others and so our success story grows. Will you be part of the next chapter?

What's in it for you?

- High visibility in a responsive, targeted local audience
- Community goodwill towards you and your business
- Credibility for your brand
- A relationship that genuinely benefits both parties

Over the next few years we'll be driving awareness campaigns across Cornwall and organising high-profile fundraising drives in Caradon. Local companies are getting involved because this is a great business opportunity *and* a great cause.

You win, we win

Get your message in front of a responsive local audience.

Put your weight behind fundraising expeditions, showcase at live events, sponsor equipment, make links with sporting heroes – the opportunities are endless.

We use a highly effective advertising agency, skilled at building memorable campaigns.

If you sponsor us, your logo below would only be the start of a long and profitable relationship.

How you can help us...

We're always after equipment for our outdoor activities, from safety equipment to camping stuff & climbing ropes for kids.

...and help yourself

Long-term, we're also looking for major financial sponsorship. We'd like to talk to local companies keen to forge creative and mutually beneficial relationships.

Sponsor DAZL: great results for us, great business for you.

A final word from our sporting hero, Pete Goss

'Students improve their literacy and numeracy scores by 17 and 24 months in primary and secondary schools respectively. However, the real 'fairy dust' is self-esteem, which is carried back to school long-term'

Pete Goss, intrepid Cornish explorer. An inspiration to us all, a major backer of DAZL and founder of the great charity Cornwall PFS.

Be associated with visible good in your local community

Playing for Success
