

Give me a break!

Grown-ups read here

Do your dear little cherubs spend most of the holidays kicking their feet, or worse getting under yours? For many parents, the start of the holidays often means just one more thing to juggle.

We've got a solution for you. DAZL⁺ is the Delaware Adventure Zone for Learning's great new holiday scheme.

It's designed to keep your child occupied so you can get on with the essentials. Or even (don't tell the kids) spend a little time on yourself.

Your children are safe with us

All of our staff are CRB checked, all our instructors are fully qualified for the sports and activities they lead. Your child's safety is always, always top priority.

How much fun will you have?

This much?

Children read here

If you've done the regular DAZL after school, you'll know how much fun it is. Now with DAZL⁺ you can do amazing things all day during the holidays. So there's no excuse for just hanging around.

Go on an adventure you'll never forget

Discover new things about where you live, the great outdoors, and about yourself!

There's always great stuff going on at DAZL

It depends on the weather and the season, but you could:

- + go canoeing down the Fal estuary
- + do an overnight expedition
- + build your own shelters
- + hit bow and arrow bull's eyes
- + camp outdoors
- + cook supper under the stars

What will you do this holiday?

FUN + NO SCHOOL =

DAZL⁺
